(Grades 6-12)*, the extensive digital resource handbook you will receive at the seminar. **Join Amy for a day filled with practical strategies, engaging activities, and interventions designed to transform your struggling readers into confident, successful learners.**

Dear Colleague:

Do you remember the spark in a student's eyes when they finally grasped a challenging text? As a veteran teacher and reading consultant, I've lived for those moments. But I've also felt the frustration of watching struggling readers fall further behind, their confidence dwindling with each passing day.

For years I've worked with students who view reading as an insurmountable obstacle. I've seen the toll it takes on their self-esteem and academic progress. But I've also witnessed remarkable transformations when the right strategies are applied.

That's why I'm thrilled to invite you to my upcoming seminar!

In this engaging session, we'll explore:

- The best targeted intervention strategies for helping grades 6-12 struggling readers
- Creative ways to engage struggling readers and boost their confidence
- Easy-to-incorporate methods to differentiate reading instruction and better meet struggling readers' needs
- Innovative approaches based on current brain science to address the knowledge gap and increase vocabulary critical to secondary success
- And much, much more!

Join me for a day full of the most effective instructional strategies for helping struggling grades 6-12 readers succeed. You'll leave with targeted interventions you can use immediately. I'm excited to share my expertise with you and to help you make a meaningful impact on your students' reading lives.

I look forward to meeting you and sharing in our collective mission to make a difference, one reader at a time. Don't miss this opportunity to take your teaching practice to the next level!

Sincerely,

Amy Blakey

P.S. Join me and learn how to transform your struggling readers into confident readers. I guarantee you'll walk away with practical, proven strategies you can implement right away.

"I invite you to join me for a day full of the most effective instructional strategies for helping struggling grades 6-12 readers succeed."
