A Message From Seminar Leader, Anissa Moore

Uniquely Qualified Instructor

ANISSA MOORE is an experienced Pre-K educator and national presenter. She has extensive experience teaching Pre-K and coaching Pre-K teachers with a "been there, done that" empathy, humor, and research-based principles that address all students. She specializes in supporting educators working with young students and offers outstanding and highly practical strategies that work in Pre-K classrooms. Anissa is a sought-after consultant for school districts and educational agencies across the nation and presents at local, state, and national conferences, promoting early learning teaching strategies that support all students and stimulate a love of learning!

Dear Colleague:

Have you noticed that today's young learners seem to have shorter attention spans and greater social-emotional needs than students in the past? Many Pre-K teachers share that it feels harder than ever to keep children engaged, manage their behaviors effectively, and ensure they build the foundational skills they need to thrive. It can be overwhelming to meet each child where they are while keeping your classroom joyful, organized, and full of meaningful learning experiences.

That's why I created this practical, strategy-packed seminar just for Pre-K teachers like you. Throughout our day together, I will share proven, easy-to-implement ideas to help you capture and sustain your students' attention, nurture their social-emotional growth, and build their confidence as early learners. You will leave with dozens of developmentally appropriate activities and timesaving strategies to strengthen your current practice, enrich your daily routines, and create a classroom where every child feels more engaged and excited to learn.

I would love for you to join me for this inspiring and energizing day of professional learning. Together, we'll explore practical solutions that will help you provide the very best start for your students and make your work even more rewarding. I can't wait to meet you and share ideas that will make a real difference for you and your Pre-K learners.

Sincerely,

Anissa N. Moore

Anissa Moore

P.S. This seminar is designed to be practical, hands-on, and immediately useful. You'll leave with an extensive digital resource handbook and dozens of ready-to-use ideas to make your Pre-K classroom even more engaging and effective the very next day!

"Come for a day full of proven, easy-to-implement ideas to help you capture and sustain your students' attention, nurture their social-emotional growth, and build their confidence as early learners."
