Practical Ideas and Strategies

This outstanding seminar is packed with dozens of practical, ready-to-use strategies proven to increase the school success of your pre-k and kindergarten ELL students. The emphasis is on strategies and activities that really work, based on real ELL students in real classrooms. **Angela Cameron**, an experienced pre-k/kindergarten teacher who has years of experience working with ELL students, has organized and created a day filled with practical, hands-on activities, mini-lessons, center ideas, and literature links to increase the learning of your young ELL students. She will provide you with small and whole group online and in-person activities to help students increase their reading, writing and language skills using research-based strategies designed specifically for ELL students.

You will leave with dozens of ideas to help all your preschool and kindergarten students become engaged in speaking, listening, reading, writing, and math – no matter where they are in their readiness and language acquisition skill level. Join Angela for a fast-paced day filled with strategies to maximize your pre-k and kindergarten students' learning.

A Message From Your Seminar Leader, Angela Cameron

Uniquely Qualified Instructor

Angela Cameron is a dynamic early childhood and kindergarten teacher and national trainer. Her background includes many years of classroom experience in preschool, kindergarten and primary classrooms as well as extensive travel as a national speaker and seminar leader.

Throughout her career, Angela has developed a passion for working with young students, including ELL and at-risk students. The activities and lessons she has developed help all students, including the strugglers, to close the achievement gap before they fall too far behind. She is noted for her enthusiasm, and her love for her students is obvious in her seminars.

Angela is the author of *Accelerate ELL Students' Learning in Pre-K and Kindergarten*, the extensive digital resource handbook each participant will receive at the seminar. Her presentations are clear, fast paced and activity packed. You will leave with a wealth of new ideas you can easily use in your own pre-k and kindergarten classrooms. Join Angela for a fun day filled with many practical ideas to help all your ELL students find success and confidence in your classroom.

Dear Colleague:

As an experienced preschool and kindergarten teacher of ELL, I know firsthand the challenges we face in teaching our students to be successful and confident in the classroom – both socially and academically. Helping our ELL students grow and gain confidence as they learn English can be very rewarding if you are equipped with tools and strategies that are both fun and effective. This seminar is designed to give you a wealth of highly effective strategies for accelerating language skills, promoting self-esteem and creating a community of active, engaged learners whether in-person or online.

I am excited to share dozens of developmentally appropriate strategies, ideas, mini-lessons, and activities you can immediately use with your three-, four- and five-year-old ELL students. You will find that all the strategies meet the varying readiness levels and learning abilities in your classroom. Not only are these lessons classroom proven and research based, but most importantly, they are fun for students and teachers. They teach your standards in the playful ways that our students learn best. This day will be packed with easy-to-implement and ready-to-use ideas that my students love and yours will too!

Please join me for a fast-paced, energetic, worthwhile seminar designed specifically for YOU – pre-k and kindergarten teachers of ELL students. You will walk away with a multitude of ideas you can use immediately! Whether you are a veteran teacher or new to teaching, EVERYONE will find new ways to reach and teach your ELL students. I look forward to meeting you at the seminar and sharing our passion for teaching young children!

Sincerely,

Angela Cameron

P.S. If you want **easy and practical ELL online and in-person strategies** you can use the next day with your pre-k and kindergarten students, this seminar is for you.

"I am excited to share dozens of developmentally appropriate strategies, ideas, mini-lessons, and activities you can immediately use..."
