Ten Key Benefits of Attending

"A great seminar. There were things shared that I am currently doing that were reinforced as being good strategies. I was reminded of strategies that I haven't used in a while, and given new things to try. I can't wait to try them out."

– MARY EHLLI,
3RD GRADE TEACHER

Who Should Attend

Educators Serving
Grades 3-5: Classroom
Teachers, Reading
Specialists, Literacy
Coaches, Title I Staff,
Special Education Staff,
Interventionists,
and Administrators

- 1. Keys to Catching Up Students Who've Fallen Behind**
How to have the greatest impact on catching up your Grades 3-5 students who have fallen behind and accelerate learning for all
- 2. Build Upon Strengths**
Struggling students thrive when we tap into their interests and strengths ... Learn how to identify the strengths, interests, and challenges of your students and how to bolster learning to close the gap in reading and writing
- 3. Develop Digital Literacy Lessons for Immediate Implementation**
Leave this seminar with dozens of digital tools ready for immediate implementation with your students ... Learn what to include and how to approach your mini lessons, make the best strategies, and fully realize the power of blending traditional and tech based approaches when working with struggling students
- 4. Social and Emotional Learning for Better Behavior and Learning**
Learn the next steps in helping your students develop the will and thrill of learning that they need to make big gains in literacy progress ... How to significantly improve your students' belief in themselves and open the door to catching up
- 5. New Curriculum Integration Strategies to Improve Reading and Writing in Less Time**
Time-saving, easy-to-use integration techniques ... Use of mentor texts, strategic reading groups and multi-modal text sets to make connections and strengthen the skills of your students who need to catch up, all while saving you time
- 6. Strengthen Reading and Writing Skills**
How to accelerate your students decoding, spelling, writing, speaking and listening skills ... Maximize your students' comprehension, fluency and ability to better understand content area text
- 7. Increase Student Engagement, Increase Learning**
Encourage students to become a part of the literacy learning process by utilizing free Ed Tech tools such as Google apps, Pear Deck, Flipgrid, IdeaBoardz, and many more ... Move students further along in their learning by maximizing the use of technology
- 8. Create Literacy Learning Opportunities Your Students Will Love**
Accomplish the goal of learning comprehension strategies AND building background knowledge about new topics and ideas ... Learn how to help students build and activate prior knowledge to support greater reading comprehension
- 9. Prioritize Learning and Reduce the Gap**
Create a plan for selecting grade level priority standards and bridge the gap when students need prerequisite skills and strategies ... Focus instruction and practice on critical-to-learn-now literacy knowledge and skills to close achievement gaps
- 10. Receive an Extensive Resource Handbook and Special Online Access**
Each participant will receive an extensive resource handbook that includes detailed descriptions and practical classroom applications of each strategy presented ... Receive access to Kelly's specially created Google Resource folder, containing helpful online resources and tutorials perfect for use with your Grades 3-5 students

Outstanding Strategies You Can Use Immediately

What You Will Learn ...

- How to **strengthen your Grades 3-5 learning environment** into a novel, safe space to maximize learning
- The best digital tools to **support student engagement, improve literacy skills, and catch up students** who have fallen behind
- Use **quick formative assessments** that allow you to take action quickly and close the daily learning gap
- Quick and effective ways to **support collaboration among students** with a focus on strengthening the skills of students who have fallen behind
- How to use video making to demonstrate and **develop student thinking in all content areas**
- Use **quick, easy-to-use tech strategies** to activate prior knowledge and get your students thinking critically about topics
- **Classroom-tested, student-approved** literacy lessons for immediate implementation
- A plethora of ways to **differentiate instruction and scaffold learning** to support students as they catch up
- **Valuable ways** to maximize student voice, engagement, and learning

"Excellent presentation! Kelly is a very energetic and encouraging presenter who got me excited about implementing some of the strategies with our teachers."

– CATHY AMES, DIRECTOR OF CURRICULUM AND INSTRUCTION

Practical Ideas and Strategies

In this **NEW** strategy-packed seminar by **Kelly Harmon**, an international educational consultant with extensive experience working with Grades 3-5 students, you will discover how to empower learning for your students who have fallen behind. In Kelly's seminar, you will discover the most effective, cutting edge instructional strategies to catch up third, fourth and fifth graders. You will learn dozens of ideas for accelerating the learning of your struggling students. Join Kelly to explore the newest ways to monitor and adjust instruction based on student results. You will leave this outstanding seminar with renewed enthusiasm for teaching and learning as well as a wealth of ideas for innovating the learning opportunities for your Grades 3-5 students.

This fast-paced day packed with the best research based and classroom tested strategies will provide you with the tools you need to catch up your students who have fallen behind! You will walk away not only with an extensive resource handbook packed with dozens of practical, easy to implement strategies but access to Kelly's online resources designed specifically for Grades 3-5 students who need to catch up. The day will focus on the practical strategies needed to catch students up.

No matter your experience level with struggling learners, you will leave this seminar with a wealth of practical, use-tomorrow ideas.

A Message From Seminar Leader, Kelly Harmon

Uniquely Qualified Instructor

KELLY HARMON is an enthusiastic and engaging presenter with extensive experience teaching literacy. Drawing from her many years as a classroom teacher, instructional coach and national consultant, Kelly's presentations are fast-paced, interactive and highly engaging providing you with practical strategies to use your classroom tomorrow. You will receive dozens of classroom-proven ideas you can use to strengthen your reading and writing instruction helping students catch up when they have fallen behind!

Kelly has a wealth of ideas and strategies to help you refine your literacy program. She is co-author with Dr. Robert Marzano of the book, *Practicing Skills, Strategies, & Processes: Classroom Techniques to Help Students Develop Proficiency*, and the author of *Catching Up Students Who've Fallen Behind in Reading or Writing (Grades 3-5)*, the extensive resource handbook she developed just for this strategy-packed seminar that can be used immediately with your Grades 3-5 students. You won't want to miss this day filled with humor, fun and a wealth of practical information that will boost your approach to teaching.

Dear Colleague:

The pandemic took its toll not only on health, but on student learning as well. Unfortunately, with the disruptions of COVID, many of our students have fallen behind.

There is no doubt COVID-19 has brought significant changes to our classroom. What it hasn't changed is our resolve to serve our students well and to employ every tool we have to keep their learning going. More importantly, we understand the challenge of catching up students who have fallen behind. Much like you, I am dedicated to all my students but hold a special place in my heart for those who have fallen behind. I have learned and refined dozens of innovative, research-based strategies and techniques for accelerating student learning so that students who have fallen behind have the right tools to catch up. My goal for this day is to demonstrate the best-of-the-best of these exemplary activities and ideas with you.

During our day together, we will cover dozens of reading and writing strategies, ideas and activities you can use to teach in ways that will make a significant difference for your Grades 3-5 students:

- A wealth of highly effective, timesaving strategies for accelerating your literacy program
- Outstanding ideas, ready-to-use activities and a variety of resources for assessing and teaching the necessary reading and writing skills in innovative ways across the curriculum
- Ideas for integrating free technology that saves time and deepens literacy learning – rather than adding another layer to our already full plates.

I am truly excited to offer dozens of ideas, resources, tips, and suggestions you can implement immediately to better impact the reading and writing skills of your struggling students. Please join me for a jam-packed day of creative, fun learning experiences that promise to increase all your students' achievement in Grades 3-5 and lessen your workload.

Signature

Kelly Harmon

P.S. You will learn dozens of specific instructional strategies you can use to greatly increase the success of your Grades 3-5 students and will leave with an extensive resource handbook as well as my online resources!

"I have learned and refined dozens of innovative, research-based strategies and techniques for accelerating student learning so that students who have fallen behind have the right tools to catch up."

What Your Colleagues Say About Kelly Harmon

*"Kelly has so much information and is so passionate about the material that one **can't help but get excited to go try everything as soon as possible**. There was something for absolutely every teacher in my school. I will be sharing everything that I can, not just to get our students up to speed from having such a non-normal school last year, but moving forward for 'regular' school years. I can't thank you enough!"*

Michelle Burleigh, Reading Specialist

*"I thought Kelly did a great job giving us a wealth of ideas to bring back to our classrooms and validating some of the strategies I am currently using with my students. **I had the opportunities to look at these from a new perspective.**"*

Lisa Kaponick, Title I Reading Specialist

"An amazing seminar!"

Peggy Brown, Reading Specialist

*"Kelly was able to relay a great amount of information in a short amount of time. **She was clear and gave strategies that I could implement immediately.**"*

Erin Daly, ESL

About BER Seminars

Outstanding Instructors

All programs are led by outstanding, top-rated BER national trainers

Extensive Resource Handbook

You'll receive an extensive digital Resource Handbook full of practical strategies and resources. (For in-person seminars, registrants will also receive a printed copy of the resource handbook as long as their registration is received in the BER office at least 15 calendar days before the event.)

Highly Interactive

You'll be able to ask questions, consult with the instructor, and share ideas with other participants

Program Guarantee

As we have for 44 years, we guarantee the high quality of our programs. If you are not satisfied, we'll give you a 100% refund.

Special Benefits of Attending

"I really appreciate Kelly for her enthusiasm on the content. I learned a lot and am excited to implement a lot of these strategies."

RAIMUNDO LEE,
4TH GRADE TEACHER

On-Site Training

Most BER seminars can be brought to your school or district in-person or online. See the options at www.ber.org/onsite or call 877-857-8964 to speak to one of our On-Site Training Consultants.

Extensive Resource Handbook

Each participant will receive an extensive digital resource handbook giving you access to countless strategies. The handbook includes:

- New, classroom-tested methods that increase Grades 3-5 students' reading and writing skills helping them to catch up
- Current, innovative strategies for developing literacy skills and closing the gap
- Dozens of digital resources to learning easier for all students
- Tools, tips, and tricks that support and engage your students who have fallen behind

For in-person seminars, registrants will also receive a printed copy of the resource handbook as long as their registration is received in the BER office at least 15 calendar days before the event.

Share Ideas with Other Educators

This seminar provides a wonderful opportunity for participants to share ideas with other Grades 3-5 educators interested in catching up students who have fallen behind in reading and writing.
