Ten Key Benefits of Attending

'Terrific online seminar! Thanks for sharing such great ideas that I will definitely use in my classroom!'

—CHERIE STOFFA, TEACHER

Who Should Attend

Educators Working with Kindergarten Children:
Kindergarten Teachers,
Instructional Assistants,
and Administrators

- 1. Accelerate and Strengthen Your Kindergartners' Academic Skills**
How to strengthen the learning of your Kindergartners' foundational reading, writing, speaking, and listening skills ... Maximize your young students' conceptual understanding and fluency in math
- 2. Start the Year Strong, Lessen Your Kindergartners' Readiness Gaps and Bridge the COVID Gap**
Catch up your Kindergartners' skills attainment for students who start school behind ... Get the 2021-22 school year off to the strongest start and lessen the COVID gap and readiness gaps with timesaving, easy-to-use techniques perfect for Kindergarten
- 3. Develop the Foundation for Literacy**
Explore strategies for developing language, vocabulary, retelling, and early literacy skills ... Incorporate dozens of innovative ideas including literature, puppets, sensory tubs, early learning games through play, music and much more!
- 4. Expand Your Library with Outstanding Books Perfect for Kindergarten**
Many new children's books were published in the last year ... Discover the best titles for your Kindergartners and how to use them in your instruction to develop foundational literacy and math skills
- 5. Design the Ideal, Safe Kindergarten Learning Environment**
Numerous ideas for incorporating the latest safe practices into your learning environment ... Reimagine using the space and resources you already have to optimize organization, management and powerful guided and non-structured activities
- 6. Develop Your Kindergartners' Social-Emotional Skills**
Explore strategies to strengthen self-regulation and self-advocacy skills ... Help your Kindergartners learn to make decisions, build community with the world around them, discover their own areas of interest, and engage in cooperative learning
- 7. Support Your Kindergartners' Growth and Development with a K.I.T**
Design and implement a Kindergarten Instructional Toolkit (K.I.T.) ... Gain practical tips to create, manage and implement a K.I.T. through three points of contact with your Kindergartners
- 8. Foster a Positive Growth Mindset with Your Kindergartners**
Encourage your Kindergartners to be risk takers and both succeed and fail at their own challenges ... Help your Kindergartners learn how to achieve their potential and take control of their own success through effort, hard work and practice
- 9. Incorporate Hands-On Purposeful Play Activities**
Integrate meaningful and purposeful play activities designed to build literacy, fine motor and readiness skills ... Enhance student learning and understanding of key academic concepts through hands-on play-based activities and practices
- 10. Receive an Extensive Kindergarten Strategies Digital Resource Handbook and Special Online Access**
You'll receive an extensive Kindergarten digital resource handbook that includes detailed descriptions and practical classroom applications of the ideas presented ... Receive access to Sheri's specially created Google resource folder, containing helpful online resources perfect for use with your Kindergartners

Outstanding Strategies You Can Use Immediately

What You Will Learn ...

- Innovative instructional strategies to **promote and accelerate the academic success of your Kindergartners** – perfect for getting your 2021-22 school year off to a great start
- **A wealth of low-cost materials** and ready-to-use tools for enhancing meaningful activities in your classroom – your Kindergarten teaching will come alive!
- **How to foster a positive Growth Mindset** and encourage Kindergartners to be bold, courageous learners
- **Specific, teacher-friendly ways to differentiate** your reading, writing, listening, and math instruction and activities
- **Dozens of innovative** ideas including literature, puppets, sensory tubs, early learning games, music, and more!
- **Unique ideas** and ways to get Kindergartners collaborating, exploring, creating, and modifying their work
- **The latest safe practices** for your Kindergarten learning environment, utilizing the space and resources you already have
- **Immediately usable tools and strategies** to help keep Kindergarten students engaged and ensure active participation in learning
- **Demonstrations and Kindergarten student work samples**, plus an extensive digital Kindergarten teaching strategies resource handbook, and special online access to Sheri's Google Drive folder of Kindergarten resources
- **Ideas, Ideas, Ideas** – engaging hands-on activities, movement and brain break activities, outstanding writing ideas, ways to integrate and maximize your curriculum, terrific Kindergarten websites, and much more!

'Amazing! I learned so much! Thank you for adding great ideas for distance learning!'

– EMILY ANDERSON, KINDERGARTEN TEACHER

Practical Ideas and Strategies

Are you looking for the best ways to provide differentiated, engaging Kindergarten instruction in the face of growing gaps in your Kindergartners' readiness – gaps which have only grown due to COVID? If so, you won't want to miss this strategy-packed seminar by outstanding Kindergarten teacher and national presenter, **SHERI SUTTERLEY!** The focus of this live online seminar is on the most effective, cutting-edge instructional strategies specifically for Kindergarten teachers – perfect for getting your 2021-22 school year off to a strong start. Explore proven, practical, hands-on strategies and timesaving ideas to enhance your Kindergarten program. All the strategies and ideas Sheri presents are designed to strengthen your organization, efficiency, and the impact of your Kindergarten instruction. You will receive an extensive digital resource handbook packed with dozens of practical, easy-to-implement strategies and special access to Sheri's online resources specifically for Kindergarten. **Join Sheri for a lively, FUN day filled with the best, cutting-edge strategies and approaches specifically for strengthening the learning of your Kindergarten students.**

A Message From Seminar Leader, Sheri Sutterley

Uniquely Qualified Instructor

SHERI SUTTERLEY is an exceptional Kindergarten teacher. She regularly presents at Kindergarten conferences and has served as a mentor and master teacher throughout her extensive career. Sheri is particularly passionate about incorporating cutting-edge practices with Kindergarten children. Her seminars are filled with proven, practical, developmentally appropriate ideas for enhancing Kindergarten instruction and increasing the success of Kindergartners. She is also the author of *Best Cutting-Edge Strategies for Kindergarten*, the extensive digital resource handbook each participant will receive at the seminar. Sheri's joy for teaching our youngest learners is captivating and she enjoys equipping fellow Kindergarten teachers with powerful, current ideas and strategies designed to strengthen the learning of our youngest students. **Join Sheri for a fast-paced, engaging, creative, and fun day full of practical ways to increase Kindergartners' learning and social-emotional growth.**

Dear Colleague:

Kindergarten, Kindergarten. . .
It's our day!
First grade is coming. . .
Hip, hip hooray!

As I look at all that has happened in the last year, one thing remains the same: Our Kindergartners still have a love of learning and truly want to come to school.

Thank you for your commitment, enthusiasm, and joyful energy for teaching our youngest students. As Kindergarten teachers, we are in a demanding and "pressure-filled" environment every day. The new learnings and pivots we have had to make this past year in response to COVID have been challenging and at the same time rewarding.

As we prepare for the strongest possible start to the 2021-22 school year, I have specifically designed this seminar to help you integrate the very best, current, cutting-edge practices into your own Kindergarten program. I want to equip you with outstanding strategies, ideas and resources that you can use immediately with your Kindergarten students to make a real difference in their learning. Our day will be devoted to exploring outstanding ways you can enhance your Kindergarten instruction to increase the academic learning and social-emotional growth of your Kindergartners.

I am excited to share the best of the best ideas, strategies and activities I have used successfully with my own Kindergarten students. Everything I present is practical, meaningful and easy to use within any program. Join me and experience the same joy of learning that your students will feel. I look forward to meeting you at the seminar as we share our dedication and passion of teaching our youngest children!

We love teaching Kindergarten!

Sincerely,

Sheri Sutterley

P.S. I promise to make this day fast paced, idea packed, and fun filled with practical and interactive ideas you can immediately use with your own Kindergartners!

'As we prepare for the strongest possible start to the 2021-22 school year, I have specifically designed this seminar to help you integrate the very best, current, cutting-edge practices into your own Kindergarten program.'

What Your Colleagues Say About Sheri Sutterley

*"I loved this seminar. It was **very engaging, even in an online format**. I learned a lot of practical ideas that I can't wait to implement. I loved all the resources, as well. Thank you!"*

Samantha Weiss, Teacher

*"Very **practical, engaging and appropriate for my classroom age group**. I love the volume of materials Sheri made available to us. Thank you for a great seminar!"* Chrysanthy Crooks, Teacher

*"Very **informative and helpful with lots of great ideas** to use now and in the future. Sheri was a wonderful speaker and very knowledgeable."*

Lori Anderson, Teacher

"I am so impressed with how this online seminar went. It was extremely meaningful and well done. I enjoyed the breakout rooms and chat. Thank you so much!"

Jennifer Zink, Teacher

About BER Live Online Seminars

With the current health challenges, all BER in-person PD events are currently being presented in a Live Online format:

Outstanding Instructors

All programs are led by outstanding BER national trainers

Extensive Resource Handbooks

You'll have access to an extensive digital Resource Handbook before, during and after your seminar

Highly Interactive

You'll be able to ask questions in real time and interact with the instructor and other participants

Program Guarantee

As we have for 43 years, we guarantee the high quality of our programs. If you are not satisfied, we'll give you a 100% refund.

Special Benefits of Attending

'I so wish we could have met in person, but it was wonderful and inspirational how Sheri presented it online.'

- BETSY ZIMMER,
KINDERGARTEN TEACHER

On-Site Training

Most BER seminars can be brought to your school or district in-person or online. See the options at www.ber.org/onsite or call 877-857-8964 to speak to one of our On-Site Training Consultants.

Extensive Kindergarten Digital Resource Handbook

Each participant will receive an extensive digital resource handbook giving you access to countless strategies before, during and after the seminar. The handbook includes:

- Innovative, cutting-edge strategies that increase Kindergartners' foundational reading, writing, speaking, and listening skills – perfect for getting the 2021-22 school year off to a strong start
- Approaches for incorporating purposeful play into your daily routines to build and strengthen meaningful activities into your classroom
- Writing and bookmaking ideas that can easily be incorporated into your daily schedule
- Ways to incorporate literature, puppets, sensory tubs, early learning games, and music/movement lists – ideal for Kindergartners

Share Ideas with Other Educators

This seminar provides a wonderful opportunity for participants to share ideas with other educators interested in the best, cutting-edge strategies for Kindergarten.

Consultation Available

Sheri Sutterley will be available to answer your specific questions and the unique needs of your own Kindergarten program.

Meet Inservice Requirements / Earn State CEUs

Participants of both the Live Online Seminar and those completing the Recorded Version online can receive a certificate of participation that may be used to verify five continuing education hours. In addition, state CEUs are available for both versions of the course. For details, visit www.ber.org/ceus

Earn One to Four Graduate Semester Credits

Up to four graduate level professional development credits are available with an additional fee and completion of follow-up practicum activities. Details for direct enrollment with Brandman University, part of the Chapman University system, will be available at this program.

Can't Attend?

Other Professional Development Options:

Recorded Version of the Seminar

This course will be video recorded and available to take online at your convenience. You'll have access to the entire course and to the extensive digital resource handbook. Optional CEUs and graduate credit available.

To enroll, see registration form on page 7.

Related On-Demand Online Courses

A related On Demand Video-Based Online Learning course, *Increase All Your Students' Learning with Practical, Timesaving Work Stations*, for Grades PK-K, is available for immediate registration. To enroll, visit www.ber.org/online
