Even if you are teaching in a limited space, you will find innovative ways to raise heart rates and maximize participation at the same time. Teamwork will be a component of almost every activity shared throughout this highly active seminar.

***Don't miss this unique opportunity to participate in this high-energy seminar that encourages maximum participation in physical education for all students. You will leave with dozens of strategies and activities you can use immediately in your own physical education program.***

# A Message From Seminar Leader, Dennis Stands

## Uniquely Qualified Instructor

**DENNIS STANDS** is an experienced physical education teacher, outstanding presenter and author. He brings more than 30 years of teaching experience and for the past 17 years has been conducting PE teacher trainings nationwide. Dennis is passionate about making PE a fun and successful experience for all students, regardless of their ability level and presents activities designed for maximum participation, involving teamwork, skills and fun as major components. Dennis is the author of *Innovative, NEW Activities for Strengthening Your PHYSICAL EDUCATION Program (Grades K-8)*, the comprehensive physical education digital resource handbook each participant will receive. Additional authorship credits include *Fitness, Fun and Skills in Physical Education*, *Teaching High Level Skills in Physical Education*, *Building Confidence in Physical Education Skills*, and *Incorporating Teamwork and Skills in Physical Education*. Participants find Dennis' seminars to be fast moving and filled with practical ideas that can be immediately incorporated into physical education programs.

Dear Colleague:

I invite you to join me for a day of sharing many new and innovative games and activities that I guarantee will "spice up" your current PE program! Your students will thank you for showing them how much fun PE can be while learning and laughing through motivating games and activities.

My goal for this highly practical seminar is for you to experience a wide variety of activities, proven to bring a fun spark to your PE program. No matter your teaching situation, even if limited by space or equipment, you are sure to find many new and innovative games, always with an emphasis on maximum participation.

All the activities I will share in this seminar have been extensively and successfully used with grades K-8 students with a wide variety of skills and experience. My goal is to give you an array of ideas and activities you can use the next day in your own PE classes.

I hope you will join me in this fun day of learning to help make your PE program the best it can be.

I look forward to meeting you at the seminar.

Sincerely,

Dennis Stands

P.S. You will receive **an extensive grades K-8 physical education digital resource handbook** written specifically for this seminar, filled with all the activities you will experience during the seminar. You will also receive a video link to each activity for use whenever needed.

*"No matter your teaching situation, even if limited by space or equipment, you are sure to find many new and innovative games, always with an emphasis on maximum participation."*
