- **Extensive Digital Resource Handbooks**
You'll have access to an extensive digital resource handbook before, during and after your conference
- **Highly Interactive**
You'll be able to ask questions in real time and interact with the instructor and other participants
- **Program Guarantee**
As we have for 44 years, we guarantee the high quality of our programs. If you are not satisfied, we'll give you a 100% refund

Learn to train your staff in highly effective Differentiated Instruction Practices

Participants attending will learn the key components for a successful Differentiated Instruction program, which can then be delivered as a staff development framework that fits your schedule according to each school or district's unique scheduling and training needs. The following key components are included in this four-day train-the-trainer institute.

Make Differentiated Instruction a Powerful Teaching Practice to Significantly Increase Achievement for All Students Including Those Who Have Fallen Behind During COVID-19

- Learn the key characteristics for an effective Differentiated Instructional framework
- Proven classroom strategies to implement, organize and manage Differentiated Instruction

Meet Your State Standards Using a Differentiated Approach

- Discover what works in Differentiating Instruction and the pitfalls to avoid
- Learn how Differentiated Instruction can meet your rigorous state standards
- Design whole class lessons to effectively address varying readiness levels, interests and modes of learning

Timesaving Strategies for Managing a Differentiated Classroom

- Proven, timesaving management techniques to smooth the transition to a more differentiated approach to instruction
- Increase student achievement with small, flexible group instruction focused on specific skill needs
- Challenging and motivating activities for your reluctant learners as well as your high achievers
- Cooperative and collaborative activities that will work in every classroom

Innovative Ways to Differentiate Your Lessons and Assignments

- Practical strategies for designing lessons and assignments to account for the diverse needs of your students' readiness and interests
- Efficient and effective ways for scaffolding instruction, providing student choice, designing anchor activities, and much more!
- A fresh, less complicated approach to tiered assignments
- Make the most of valuable instructional time by incorporating pre-assessments
- Grading options for differentiated assignments and activities

Videos of Differentiated Instruction in Action to Demonstrate Effective Teaching Strategies

- Best practices for using videos to train others
- Outstanding training tips and a resource kit to train others (each participant will receive access to ALL videos specific to their grade level to use in their training)

Receive Comprehensive Training Resources

All participants will receive a valuable package of resources including:

- **Three-Year Subscription to Best-Selling Professional BER Differentiated Instruction PD Resource Kit with Streaming Video** used throughout the training (choose either Grades K-2, Grades 3-6 or Grades 6-12). Streaming videos contain the video footage needed for a complete Differentiated Instruction training for your school or district demonstrating best practices
- **Comprehensive Differentiated Instruction Digital Resource Handbook** that is filled with material to reinforce and extend learning
- **Detailed Digital Trainer's Guide** that walks participants through the delivery of the program, including a PowerPoint presentation adaptable for immediate use

Innovative, Video-Based, Hands-On, Train-the-Trainer Opportunity

Featuring Two of the Nation's Top Differentiated Instruction Experts

DR. MARQUITA BLADES is an experienced and award-winning secondary teacher, international speaker, author, and consultant. Marquita's extensive experience with diverse student populations have equipped her with a depth of firsthand experience for differentiating instruction to better meet the full spectrum of student needs. Realizing the importance of meeting students where they are through having served a diverse population of students, Marquita focuses her practice on creating learning experiences that are accessible for all students through the use of differentiated instructional strategies. Her

sessions are packed with practical and engaging strategies that your teachers will be able to use immediately in their classrooms. Marquita has managed national STEM programs for secondary level students and has served as a curriculum and assessment developer, and professional learning facilitator for numerous school districts.

RYAN DOETCH is a dynamic and enthusiastic presenter, and an award-winning classroom teacher. Ryan is known around the world as an exemplary teacher for elementary students. Drawing from his daily classroom experiences, Ryan's presentations are filled with highly effective strategies, ideas and tips you can use immediately to differentiate instruction. Ryan's expertise, practicality, and humor keep his sessions fast-moving, enjoyable, and packed with tips and tools that you can use right away to enhance your own instructional program. In his free time, Ryan trains teachers, interventionists,

curriculum specialists, and administrators from around the world on the best, practical ideas for making instruction successful for all learners. Ryan's knowledge, experience and expertise in Differentiated Instruction and training teachers translate into a Train-The-Trainer Program that is jam-packed with great ideas you will want to use immediately.

PROGRAM SCHEDULE

Monday and Tuesday (9:00 A.M.-3:30 P.M.)

Morning general session followed by separate breakout groups by grades K-6 and 6-12 to learn Differentiated Instruction strategies specific to elementary or secondary classrooms.

- Identify the key practices and a proven framework to create classrooms that support differentiated teaching and learning
- How to use Differentiated Instruction to meet your state standards and **help close the COVID-19 learning gap for students who have fallen behind**
- Maximize the benefits of small, flexible instructional groups to scaffold and extend student learning
- Culturally responsive teaching practices to drive Differentiated Instruction
- Assessment strategies to quickly monitor students' skills and understanding
- Create whole class lessons to effectively address varying readiness levels, interests and levels of cognition
- Design tiered assignments and independent tiered centers and activities to meet the wide range of student needs and learning styles
- Learn how to design leveled questions, tasks and assignments that give all students access to your essential learning standards
- Planning and managing an effective and efficient differentiated classroom
- Dozens of practical differentiated strategies to increase student achievement, develop positive attitudes toward learning and maximize success

Wednesday (9:00 A.M.-3:30 P.M.)

- Discover more specific strategies to gain a deeper understanding of Differentiated Instruction and build greater faculty support
- Break out into smaller groups to learn Differentiated Instruction practices specific to elementary or secondary settings and your state standard requirements
- Discover tips unique to training teachers to enhance their Differentiated Instruction practices in grades K-2, 3-6 or 6-12

Thursday (9:00 A.M.-3:30 P.M.)

- Participants will deliver brief presentations on Differentiated Instructional strategies using video and will receive feedback from small-group facilitators
- Practice presentations will provide the perfect opportunity to listen and interact to deepen understanding, familiarity and confidence with the materials
- Debriefing of presentations and feedback from the lead instructors will strengthen participants' skills in training
- Participants will leave with a training plan, including video for grades K-2, 3-6 or 6-12, and confidence to implement a state-of-the-art Differentiated Instruction training that helps students meet your state standards
