*“Invigorating
content - and what an
exciting presenter!”*

Ten Key Benefits of Attending

*'Outstanding!
Personality,
delivery, content,
visuals, information,
and fun - she's
got it all! I need
to see her again!'*

Who Should Attend

School-Based
Speech-Language
Pathologists using
teletherapy with students
grades K-12

- 1. Jumpstart Your Online Teletherapy with All Students**
Begin each of your sessions with evidence-based intervention plans that will captivate and engage your teletherapy
- 2. Unleash the Power of Questioning Designed for the Teletherapy Environment with All Your Students**
Strengthen your virtual connection with your students using techniques to increase the success of remote observations, assessment, and evaluation of performance across the Big Nine areas for the SLP
- 3. Virtual SLP Play-Based Therapy ... Is It possible? YES!**
Learn how to initiate and manage play-based therapy with your students in distance learning along with acquiring the language needed for communication
- 4. Simple Ways to Provide a Higher Quality Virtual Experience in Your SLP Program**
Explore literacy informal assessments and interventions that teach skills for comprehension, narrative language, phonics, and phonemic awareness that can be easily adapted to teletherapy
- 5. Increase the Success of Diverse Speech and Language Learners in Your Virtual Setting**
Invite your students' unique environment and perspective into the virtual setting with specific and innovative activities that keep students wanting to learn more related to their communicative needs
- 6. Strengthen At-Home Generalization Learning**
Distance learning provides an exceptional opportunity to model what the speech language pathologist provides for intervention along with demonstrating the generalization for communication of learning beyond therapy
- 7. Incorporate More Powerful Sensory Brain Breaks During Your Teletherapy Experience**
Explore the use of sensory integration to empower learners to maintain engagement, participation, and successful outcomes throughout your teletherapy sessions
- 8. Encourage a Higher Level of Self-Regulation and Management to Increase Your Student's Online Learning Independence**
Utilize the most effective practices to help your students move from a modeled on-screen lesson to more independent practices in their teletherapy setting
- 9. Increase Authentic Parent Communication and Family Connections**
Expand your repertoire of powerful daily interventions, tasks, and routines that unite the home and teletherapy room connection
- 10. Practical, Ready-to-Use Materials and Resources at Your Fingertips or Keyboard**
Leave this seminar with your own comprehensive digital handbook filled with a multitude of strategies downloadable to your virtual desktop

Outstanding Strategies You Can Use Immediately

What You Will Learn ...

- Formal and informal SLP assessment tools that will lead to **more functional and practical intervention strategies**
- **Effective and efficient methods for assessing** receptive and expressive language, narrative and written language, voice, fluency, and particularly/phonological skills via teletherapy
- Determine measurability for voice, fluency, articulation, and pragmatic production via visual screen presentation **for the student to better understand** the outcomes and measures
- Applicable ways to **incorporate current goals** into your teletherapy
- How to **align your language therapy with the reading programs** your students use in the classroom and in online learning
- Current technology, **online web-based and application resources** that support communication skills and the development across a variety of disorders and communicative needs
- Ideas for incorporating multi-disciplinary instruction, Universal Design for Learning and Assistive Technology through **teletherapy**
- Generalization strategies to help teachers and paraprofessionals **better carryover the work you are doing in online therapy**
- Various ideas for **setting up collaborative treatment programs** that are motivating for virtual learners
- Ideas to **make your online therapy more motivating, engaging, and effective** for your students across all disorder areas
- Accessible supports from the Assistive Technology Professional to **support learners from no-tech to a new level of high-tech**

'This is one of the most informative seminars I've ever attended! MariBeth is an engaging presenter whose resources are endless!'

Practical Ideas and Strategies

What do you need to do to make your SLP teletherapy more effective and efficient with your students? Receive a list of web-based interactive resources and applications to share with your students and families. In this **NEW** seminar by outstanding Speech-Language Pathologist and Assistive Technology Professional **MariBeth Plankers**, learn the value of play-based therapy and the importance of communication intervention to gain insight into your students learning preferences, comprehension, and critical thinking skills as you assess for continued learning and understanding. Make every moment count with hands-on and electronic materials that your students can use during and after online sessions for practice and independent work with generalization of skills. Help your students become even more successful communicators through an engaging and motivating teletherapy environment.

A Message From Seminar Leader, MariBeth Plankers

Uniquely Qualified Instructor

MARIBETH PLANKERS is an outstanding national presenter and highly experienced Speech-Language Pathologist and Assistive Technology Professional. She brings years of experience and ideas for improving outcomes for students who have language, reading and written language disorders. She has extensive experience providing communication services within inclusive telehealth models. In addition, she has experience working as a clinical service provider, diagnostician, and clinical supervisor within the university setting. MariBeth reflects a broad experience working with students of all ages, from early education through college level. MariBeth is the author of *Strengthen Your Speech-Language Pathologist Teletherapy Program*, the digital resource handbook each participant will receive at this seminar. **Join MariBeth for a fast-paced, engaging seminar with practical, highly effective techniques you can use in your teletherapy program.**

Dear Colleague:

Welcome to the virtual therapy room! I have found in my practice that our students are up for the challenge of distance-learning. Think of where they are today, whether we are online, teaching them in their homes or transitioning from online learning to the speech therapy room. I continue to see happiness, smiles, laughter, and excitement for learning. My goal for this seminar is to provide you with the helpful tools you will need directly from what is working in my own distance learning assessments and interventions. I will model a variety of assessments and lessons so that your confidence will soar as you embrace the uniqueness of online therapy.

How can we help, guide, and communicate with those whom we value in the home setting: parents, grandparents, caregivers, agency staff members? I will provide you with intervention plans that will work for guided practice and independent learning for the generalization of all communication skills. You will be on your way to a quality online session each day. Please join me in this NEW seminar to learn strategies, assessments, and interventions that you can truly use in your own teletherapy practice. Come ready to talk, sing, play, read, move, and share a day packed with engagement, motivators, and ready-to-use ideas for the SLP serving students in an online environment!

Sincerely,

MariBeth Plankers, M.S., CCC-SLP, ATP

P.S. I know how valuable your time is, so **my focus will be on sharing practical strategies** to make your SLP teletherapy more effective and efficient.

"My goal for this seminar is to provide you with the helpful tools you will need directly from what is working in my own SLP teletherapy assessments and interventions."

What Your Colleagues Say About MariBeth Plankers

*"MariBeth Plankers has a tremendous knowledge base and **her delivery is inspirational.**"*

*"MariBeth is a great presenter. Very engaging and smart. **She gave us tons of information throughout the day, yet I'm not leaving feeling overwhelmed.** Lots of useful information I can use tomorrow – and I don't think I've ever been able to say that after going to a seminar!"*

*"This is my second time attending one of MariBeth's seminars. **She is a wonderful resource filled with interesting ideas** and creative therapy resources."*

*"Amazing! **MariBeth has reinvigorated me, my job, and my enthusiasm!**"*

About BER Live Online Seminars

With the current health challenges, all BER in-person PD events are currently being presented in a Live Online format:

Outstanding Instructors

All programs are led by outstanding BER national trainers

Extensive Resource Handbooks

You'll have access to an extensive digital Resource Handbook before, during and after your seminar

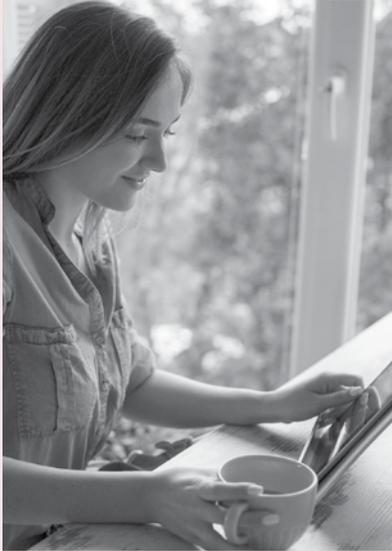

Highly Interactive

You'll be able to ask questions in real time and interact with the instructor and other participants

Program Guarantee

As we have for 43 years, we guarantee the high quality of our programs. If you are not satisfied, we'll give you a 100% refund.

Special Benefits of Attending

'Excellent resources, stories, examples, and energy! The day flew by and I have many ideas to take back to work.'

On-Site Training

Most BER seminars can be brought to your school or district in-person or online. See the options at www.ber.org/onsite or call 877-857-8964 to speak to one of our On-Site Training Consultants.

Extensive Digital Resource Handbook

Each participant will receive an extensive digital resource handbook giving you access to countless strategies before, during and after the seminar.

ASHA CEUs Available

The **Bureau of Education & Research** is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. **See course information for number of ASHA CEUs, instructional level and content area.** ASHA CE Provider approval does not imply endorsement of course content, specific products, or clinical procedures.

This course is offered for **0.50 ASHA CEUs (Intermediate level, Professional area).**

ASHA-Required Disclosure Statement for MariBeth Plankers:

Financial: Consultant for the Bureau of Education & Research and receives honorarium compensation.

Nonfinancial: No relevant nonfinancial relationships exist.

Please bring your ASHA Account Number to the seminar if you will be completing paperwork for the ASHA CE Registry.

Meet Inservice Requirements / Earn State CEUs

Participants of both the Live Online Seminar and those completing the Recorded Version online can receive a certificate of participation that may be used to verify five continuing education hours. In addition, state CEUs are available for both versions of the course. For details, visit www.ber.org/ceus

Earn One to Four Graduate Semester Credits

Up to four graduate level professional development credits are available with an additional fee and completion of follow-up practicum activities. Details for direct enrollment with Brandman University, part of the Chapman University system, will be available at this program.

Can't Attend?

Other Professional Development Options:

Recorded Version of the Seminar

This course will be video recorded and available to take online at your convenience. You'll have access to the entire course and to the extensive digital resource handbook. Optional CEUs and graduate credit available.

To enroll, see registration form on page 7.

Related On-Demand Online Courses

Two related On Demand Video-Based Online Learning courses, *Timesaving Strategies to Integrate Your SLP Interventions into Classrooms: Moving from a Caseload to a Workload Approach*, for Grades P-12, and *SLPs: Enhance Therapy Effectiveness for Auditory Processing Disorder, Memory Deficits, Attention Deficit Disorder, and Language Processing* are available for immediate registration.

To enroll, visit www.ber.org/online
