PD Resource Kits

Resources to conduct your own PD

- Video clips in each PD Resource Kit were filmed in working classrooms with **real teachers and real students**
- Include **all the PD resources you need** for successful professional development – video clips of strategies in action, facilitator discussion guides, handout masters and PD instructional resources
- Demonstrate **up-to-date instructional methods** and outstanding classroom teaching consistent with your state-specific standards
- Instead of reading about model research-based strategies **your teachers can see them in action**
- There are **no consumables to purchase** (All video clips and handout masters are included)
- Can be used **year after year** in PD sessions, professional learning communities, school departments, and as tools for instructional coaches
